# ABOUT US

Johnson Pedder, from the house of Roca, boasts of providing complete bathroom solutions to its patrons. Roca Group has a legacy stretching over 100 years and emerged as the leading Global Manufacturer of Bathroom Solutions.

Johnson Pedder provides a wide variety of PTMT products to uphold the heritage of offering innovative products. PTMT material is an engineered thermoplastic that combines the qualities of plastic and metal.

These products combine quality, economy, and durability because each product is tested at different phases of production.

PTMT products have significant advantages over metal or plastic counterparts, as indicated below.
